HEARING AND DOING

Each week this section will provide next steps for going deeper with the sermon material, as well as preparing for discussion in your Life Group. Don't worry if you can't find all the answers!

1. If you want to memorize or meditate on a verse from this sermon, try 1 Timothy 1:5. To get ready for next week's sermon, read 1 Timothy 1:8-11 as part of your personal worship each morning.
2. Read 1 Timothy 1:1-7. Then read Acts 20:17-38. Paul is meeting with the elders of the church of Ephesus several years before he wrote 1 Timothy. How did he describe his ministry? What did he predict would someday happen?
3. Paul sent Timothy to handle false doctrine in the church at Ephesus. From the text, what are some of the results of false doctrine getting loose in a church?
4. If a teacher of God's word is successful, there will be certain results in the life of his hearers. What are some *accurate* results and what are some *inaccurate* man-made standards that people sometimes use to judge a person's spiritual maturity?
