

Worship the One on the Throne (Revelation 4, p 1030)

1. He's totally sovereign (2-3a)

"God's sovereignty concerns His absolute rule and control over all of His creation. God rules absolutely over the affairs of men. He sits on the throne of the universe as Lord. Everything that happens comes about because he either directly causes it or consciously allows it." - Tony Evans

2. He's altogether awesome (3, 5-6a)

3. He's absolutely holy (8)

4. He's eternal (8b-9)

5. He's Creator & Sustainer of all things (11)

The holy, sovereign Creator-Sustainer God is awesome, worthy of all our worship!

Worship Him with your works & with your words
