Life Group Questions

Ephesians 6:1-4

Each week this section will provide next steps for going deeper with the text from Sunday, as well as preparing for discussion in your Life Group. Bring this sheet with you to your group meeting.

Starter question: Share a parenting fail you've experienced. This could be one of your own, or one from your parent(s).

Discussion Questions:

1. In v.1, what instruction does Paul give to children?
2. In v.1-2, what is the reason why children are to obey their parents? Explain what that might look like. Does it always?
3. In v. 4, what does Paul mean that we "do not provoke your children to anger"?
4. In v. 4, what does Paul mean that we "bring them up in the discipline and instruction of the Lord"?

Application Questions:

1. As a family, do you have an objective that you parent towards? Is there one main thing you are focusing your parenting energy towards? If not, what might it look like to create that?
2. Whether we find ourselves with or without kids in the home, how might we be invested in the church family in the raising of our kids collectively?
